Coloured headphones and fashion bags that pack a sound punch are the latest must have for all this summer. Why plump for black when there's a world of colour available from [www.urbanz.co.uk](http://www.urbanz.co.uk)

**Solid** DJ style headphone produces a pure sound experience that makes the most of any music, movie or gaming device. Solid folding headphones, £29.99 (29 euros) have self-adjusting leather head pads and are available in either gold or silver.

**Block** DJ Headphone, £49.99 offer a top-drawer sound experience that out performs far more expensive sets. Block folding DJ Headphones are self-adjusting and come with two additional leather ear pads. A colour-coded and detachable curly cable complete with a 3.5mm screw in jack and a 6.3mm adaptor is included in a transparent carry case that can be attached to bags, rucksacks, or back-pack using the matching Carabiner. Available in White/Grey, Khaki/Brown and Grey/Black

**Beach-Holiday Bag** £17.99 Supplied with four AA batteries this funky, transparent beach-tote is ready to plug and play! Producing a quality sound via a fits-all 3.5st connection directly from iPod or MP3/phone safely stowed in the protective pocket. Beach Bag comes packaged in a handy matching zipped carry pack, which doubles as a make-up or sunscreen bag or to seal wet swimsuits in. Size: w 37.5cm x h 29.5cms x d 10cms. Available in pink or blue.

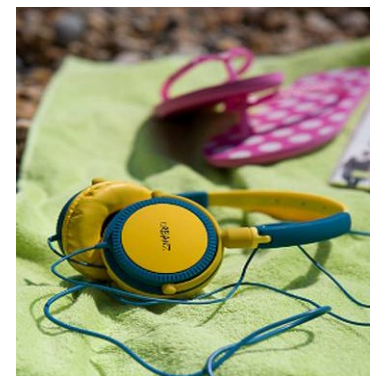

**Rockstar Speaker £14.99** is small and super loud (thanks to a very high quality amplifier) this Rockstar mini-speaker produces an output expected from a much larger and more expensive speaker. Rockstar is supplied part charged for immediate use and provides up to 4 hours of lithium battery life when fully charged (via the USB cable provided from mains or car USB charger or direct from laptop or iPad USB socket). Ideal for travel and excellent with iPod/iPad/MP3/Music Phone/Laptop and most other devices with 3.5 jack connection. Available in black, silver and pink has just been added to the line up.

At just £14.99 **Vibe** headphones from Urbanz are win win for the younger lady/girl. Not only will they jazz up the range of kids gadgets like the DS lite, iPod, PSP etc, Vibe will fit children far better than in-ear earphones as their ears change size as they grow. Vibe also has the additional benefit of allowing kids to use their gadgets on planes, trains and in cars without disturbing others. Available in pink or blue each with volume control, comfort fit and super bass functions.

**Wild** Headphones £24.99 are Lightweight fully flexible DJ style headphones. Additional features that include - Funky environmentally friendly packaging that becomes a free carry case holder with colour coded Carabiner, the case is dust proof and splash proof with belt loop. Headphones are foldable with leather pads, Colour coded cable with 3.5mm gold jack.

All available from [www.urbanz.co.uk](http://www.urbanz.co.uk) with free P&P the UK. A no-drama lifetime guarantee is also available on the website.
